

Thank you!

Dear Sir / Madam,

We would like to thank each one of you for making this Diwali delightful. Your contributions have made it possible for the children to have a fun-filled Diwali and also helped us successfully organize the yearly trip.

Below are a few photographs capturing the gala time we had.

Diwali Celebrations

The children were treated to new clothes, festive food and a lot of crackers for three days. They had a blast enjoying the festivities.

Picnic

The children enjoyed the welcome break for three days, away from the routine of school and studies.

Day1:

We left Santosh Children's Home by 5.30 A.M and went to Talakadu, where children enjoyed bathing in the river Kaveri. We then proceeded to Shivanasamudra Falls (Gaganachukki and Barachukki).

By evening we reached Mysore and visited the Mysore Palace and the KRS dam where children enjoyed the lighting. We stayed at Mysore for the night.

Day 2:

Second day of the trip was a visit to the beautiful district of Coorg. We covered all the places of interest like Abey falls, Raja seat, Harangi Dam and Dubare forest. We also paid visit to the Tibetan monastery and returned to Mysore by night.

Day 3:

We left our hotels in the morning and visited the Mysore Zoo which was a very good experience and then proceeded to have some fun in the GRS water theme park. The children played in the water and went on rides the whole day.

We'd like to thank you again for your continued support.
